

Late Backup

To: Austin Texas Mayor and City Council Members
Subject: **Vote Against Proposed Commercial Short-Term Rentals Ordinance**
Letter: Greetings Austin Mayor and City Council Members,
We urge you to vote against the proposed Commercial Short-Term Rentals Ordinance.

If passed, the proposed ordinance will allow and encourage investors to buy single family homes in Austin neighborhoods and convert them to commercial short-term rentals (CSTRs).

CSTRs are inconsistent with and harmful to residential neighborhoods. They lack onsite management and bring a steady stream of strangers into neighborhoods. They destabilize neighborhoods and increase crime, noise, pollution, and traffic congestion.

CSTRs increase housing prices, push families to suburbs, and reduce the number of students in inner-city schools.

Neighborhood groups in Austin oppose CSTRs because they are illegal and allow residential-zoned buildings to be used as businesses.

The proposed ordinance has no density limits to keep CSTRs from clustering in prime neighborhood locations nor a simple process for neighbors to shutdown problematic CSTRs.

The ordinance will require significant city government resources to license, monitor, and enforce. If passed, it will likely cause city property taxes to increase while simultaneously eroding privacy and quality-of-life in neighborhoods.

Sincerely,

Signatures
